The results of summer internships were reflected in the fact that **42.5% of students in the cohort received Pre-Placement Offers (PPOs)**, demonstrating the industry's high regard for students' professional capabilities.

The Director of XLRI, Father S. George, expressed his congratulations on this outstanding accomplishment to all of the students, stating, *"There are many accomplishments that have made us extremely proud to mentor our students into becoming ethical leaders who can take on key roles in the corporate world throughout India. The fact that this placement period has undoubtedly been a success, even in today's challenging job market, is a tremendous source of pride for us! This is clear evidence from the corporate sector of how well our management program prepares our students for their careers and how quickly they adapt to lead our companies through the changing business environment in which they will operate. Our faculty, who mentor their students, continue to demonstrate their dedication to helping students achieve their goals! Thank you to all of the companies that employed our talented students as members of your organisation"*.
